OM S DUBEY

Aspiring Data Analyst

¦91-9559008726 trudradubey824@gmail.com Amethi, Uttar Pradesh, 227406 , https://om1601.github.io/OmPortfolio/

SUMMARY

I am a motivated graduate with a solid foundation in data analytics tools and a strong interest in leveraging data for actionable insights. Proficient in Excel, MySQL, and Python, I am currently developing my skills in Power BI and Tableau. I excel in analytical thinking and problem-solving, and I am eager to apply my technical knowledge and academic training in a data analytics internship role

EXPERIENCE

06/2024 - 01/2025

Lucknow

Junior Dotnet Developer

Mecatredz Pvt. Ltd

A company specializing in software development and technology solutions

- Collaborated with back-end teams to integrate data APIs and manage user interaction logic
- Applied software development best practices to build scalable, data-driven applications
- Contributed to projects that involved querying structured data and rendering results on dashboards
- Refactored legacy code to enhance system efficiency by 20%

EDUCATION

03/2024 - 08/2025

Noida

Master's in Computer Application (Artificial Intelligence and Machine Learning)

Amity University Noida

Bachelor's in Commerce

Dr. Ram Manohar Lohia Awadh University

STRENGTHS

Analytical Thinking

Ability to analyze complex problems and contribute practical solutions

Problem Solving

Skilled in developing strategies to solve issues effectively

Communication & Presentation

Capable of delivering information clearly and persuasively

Team Collaboration

Ability to work effectively in team environments and collaborate

Detail-Oriented

Attention to detail in all aspects of work

CERTIFICATION

Python for Data Science and Machine Learning

Online course covering Python programming for data science and machine learning applications

SQL for Data Analysts

Course designed to teach SQL skills to analyze data effectively

Web Development with HTML and CSS

Training focused on building web applications using HTML and CSS

KEY ACHIEVEMENTS

Academic Achievements

Final year data analytics project showcased at the departmental exhibition and ranked in the top 10% for data-centric coursework

SKILLS

Microsoft Excel | **Microsoft Power BI** | **SQL** | **Jupyter Notebook** | **Python** | **Pandas** | **Tableau** | **CSS** | **EDA** | **HTML** | **Powerpoint Presentation**

PROJECTS

Data Analytics Capstone Project

04/2025 - 08/2025 Amity University Noida

Capstone project focusing on predicting student performance using data analytics methods

- Built a predictive model to assess student academic performance using regression techniques
- Performed data cleaning, transformation, and EDA on large educational datasets using Pandas and Seaborn
- Delivered an 85% accurate model and insights that informed curriculum changes

TRAINING / COURSES

Pursuing Apprenticeship Training Program in Data Analytics and Data Science

Apprenticeship Training Program in DotNet Fullstack Development
